Bonjour Client

I hope you are enjoying your newly styled wardrobe. It was a pleasure working with you.

I would appreciate your feedback on our wardrobe session:

**Did we meet your expectations**

**How would you describe the session**

**Do you find the photo log useful**

**Did you find the Pinterest suggestions helpful**

**Did you find the shopping list comprehensive and helpful**

**Have you worn any of the outfits and how did you feel**

**Have you changed in the way you dress and think about your style and image**

**Would you consider a session for the next season**

**Would you like to be informed of special discounts and new seasonal trends**

**Would you recommend this service to others**

**Your overall impression**

If there was any aspect of the session that you were not totally satisfied with I would appreciate your feedback. Your honest response would help me in tailoring my service and be much appreciated.

Many thanks.

Happy styling!

Anélie
